

GTC-TC⁷¹/₈₁
The International Race Series
for Historic GT and Touring Cars

Dear GTC-TC-participant of the JIM CLARK-REVIVAL 2008,

As part of our service for you and your team, etc, we have blocked several hotels with cheaper rates close-by to the Hockenheimring for you. Please find attached the latest hotel list from which you can secure a hotel contingent.

Please inform me by the latest 7. February as to whether you wish to book any rooms from this list. You must inform me per email which hotel, number of rooms, room category and the dates of arrival as well as departure. It would not be possible to book rooms from this contingent directly with the hotels until 7. February.

This hotel list will be published on our JCR-website from 8. February onwards to also allow the visitors to take advantage of acquiring cheaper rooms - for your information these hotels were all fully booked for our event in 2007 by the end of February.

We have also enclosed the provisional JCR-timetable for your information.

With sporting regards
Ronny G. Bredhauer
