

GTC-TC⁷¹/₈₁
The International Race Series
for Historic GT and Touring Cars

Dear GTC-TC competitor,

Please find attached the latest Information in regards to our first GTC-TC event this season - JIM CLARK-REVIVAL.

Attention: As usual the first race will have a standing start (GP Start) and the second race will be held with a rolling start (Indianapolis Start). Therefore please read the attached Drivers' Briefing document carefully (especially the point - Starting forms).

Please remember to fill out the blank entry confirmation document - which you have already received - with your name and starting number (see competitor list) , because without this it would be really difficult to enter the paddock. Please also park in a space-saving way in the GTC-TC area in the paddock (see attached Paddock plan).

You will receive your starting numbers, starting documents, transponders, etc at the GTC-TC counter in the Sachs-House in Hockenheimring. Please also read the attached document "New Jim Clark Memorial".

PS: For your information, we still have 2 single rooms available at the Hockenheimring Hotel during our race weekend - Booking is only possible through me).

With sporting regards

Ronny G. Bredhauer
GTC-TC Secretariat
