

Dear GTC-TC friends,

We have enjoyed a fantastic **racing weekend in Spa-Francorchamps** (B). The spectators and teams could take pleasure in the high-class starting field and exciting races in all categories. From the Formula 1, Formula 2, FIA Lurani, ORWELL SuperSports right up to the GTC-TC – all historic race series of distinction were represented.

The GTC-TC provided the largest starting field once again. This was made possible through the cooperation with the YTCC (NL) and the Trophee Lotus (F). This resulted in a superb mixture of GT and Touring Cars (see results list in the attachment or the photos on the GTC-TC website), whereby the cars and the participants all harmonised splendidly with each other and everyone had a great time.

At this point, I wish to thank the Royal Motorsport Union under the special direction of Jacques Bruyns for the perfectly organised event as well as the coordinators Randall Lawson and Jean Paul Couilliot. We are looking forward with great pleasure to a reunion next year !

But now our second racing event of the 2009 season at the 5. International Historic Grand Prix, **JIM CLARK-REVIVAL, EuroSpeedway Lausitz**, 15. – 17. May 2009, is due to be held very shortly. Anyone who has not send in his entry so far but will like to be listed in the JCR programme brochure, must fax his GTC-TC entry form to me by the latest tomorrow, Tuesday 05.05.2009 since the JCR programme brochure will go to the press on Wednesday. Therefore, dear Last-Minute-Decider, please fax the completed GTC-TC entry form to 0049 (0) 6129 1599.

The provisional JCR-Timetable and the JCR Supporting Programme Overview can also be found in the attachment.

As already previously announced, the **GTC-TC prize-giving ceremony for 2008** will be held on Thursday, 14. May 2009, 20.00 hours (please enquire about the actual location during the administrative check). Please send me a short notice as to whether you will participate here or not.
